Regular scheduling from September to June generally follows the schedule of the Toronto District School Board. We are **closed one week for March Break, two weeks for Winter Break, as well as statutory holidays**. We are also closed on Saturdays of Statutory holiday weekends. All private lessons are available **by appointment only**. Priority will be given to current students in regular weekly lesson scheduling. Students must commit to the agreed-upon set day and time weekly throughout the term if they opt for regular lessons or classes. Students are expected to be at their lesson on time. Workshops, camps, masterclasses and intensives are offered on specific dates. Drop-in private lessons are available upon request.

Programs: Private in-person lessons are offered starting 30 minutes in length. Longer lessons are available for students studying at higher levels. Lesson fees vary according to teacher, instrument, lesson length, location, and level of study. Drop-in lessons will be charged at a higher rate than the regular weekly lessons. Semi-private in-person lessons, group classes, workshops, camps, and intensives have various term lengths. Students are responsible for keeping track of all class dates listed on the invoice. No bookings will be confirmed until the non-refundable registration fee is received. Online lessons are available upon request.

Registration Fee: A registration fee is a non-refundable fee paid upon registering for any lessons/classes. The annual registration fee for the 2024-2025 school year is \$50.

Students who sign up for both music and dance lessons/classes will only be charged the \$50 registration fee once per year.

Tuition Fees: Payments in full are due prior to the start of your weekly classes or program. Our office will send you an invoice for the full term when you confirm your registration. We accept card and e-transfer payments. If paying by e-transfer, please make an e-transfer to enrolment@avenueroadmusic.com

Please kindly include the student's full name and the **invoice number** with any payment.

Material and Activity Fees: Fees for books, materials, activities, recitals and costumes are not included in tuition and will be billed separately. Teachers will do their best to notify you of these specific fees before registering.

Facility: All students have access to free parking behind the Academy. Parking spots are available on a first come, first served basis. There is a 13-step staircase in front of our Academy entrance and a 17-step staircase between the main floor and the second-floor classrooms. 15 steps are needed to get to the third-floor dance studio. There is also a 13 step staircase between the main floor and the electronic keyboard classroom downstairs.

After 30 days, lost and found items will be donated to a thrift store.
